

## Capability Statement

[www.maierint.com](http://www.maierint.com)

**Maier International** is a fully-licensed emergency response and restoration company specializing in remediation and build backs with accounts throughout Southern California. Our various services include: mitigation, project management, moisture control, restoration, debris removal & demolition, microbial remediation, asbestos/lead/mold abatement and a host of drying techniques for structural, hardwood floor and many other unique situations. We are the preferred abatement contractor in courthouses throughout the southern half of the state and have completed work in numerous school districts.
